

COMBINE THE UNCOMBINABLE

DYNAMO strings for violin & viola: Perform like you never have before.

What is so special about DYNAMO® strings for violin & viola?

We have developed our latest string line with lots of passion and patience: DYNAMO® strings for violin and now also for viola. And the result is even better than we dreamed of. Why? Because both sets (N^o.DY100 for violin and N^o.DY200 for viola) combine qualities you can't usually find in one set:

- ✓ They offer a broad sound **AND** an excellent response.
- ✓ They have a wide dynamic range **AND** you can modulate sound colors all along to their full extent.
- ✓ They sound great on old **AND** on new instruments.
- ✓ Their sound will blow away the musician **AND** the audience.
